March 25, 2020

The concerns of the COVID-19 virus is affecting all businesses and our local communities. We at Standley & Co/Farmore of Idaho are monitoring State and Federal guidelines, and how it would pertain to our valued customers and employees.

We will continue to stay open as part of the Homeland Security defining our industry as "critical industry" for agricultural. We are asking that you please call ahead so we can pull your parts and have them ready for you at the door. You can call 208-324-3341 and ask for our parts department. We do believe, at this time, that we are in a good position to continue to provide you with the products and services you require to maintain your day to day operations. If you need to come into the store please understand that we will limit the amount of customers at a given time for your protection and for that of our staff.

We are maintaining close contact with our vendors to ensure they will also be able to continue to provide the products needed for your businesses, at this time we are being assured it is business as usual.

We will continue to work hard to maintain our day to day operations as we always have for you.

Our parts store hours are Monday through Friday 8:00 a.m. to 5:00 p.m. and Saturdays 8:00 a.m. to 12:00 p.m. and we are still providing 24 hour on call services. Again, we will continue to monitor guidelines as they unfold and we will keep you informed.

Best Wishes
